**REFUND / CANCELLATION POLICY**

**Refund Policy/ Cancellation Policy:** The following policy refers to when a student's enrollment is terminated or should the students decide to withdraw. If a student decides they do no longer wish to proceed with the Nurse Aide Training Program prior to the first day of class, they may withdraw with no penalties and all tuition monies refunded. Application fee of \$50 is non-refundable. The student must withdraw formally via a withdraw request form given to the administrator or program coordinator and it must occur prior to the first day of class and NOT the same day as the first day of class.

**Withdraw Procedure:** Withdrawing from the school may have both academic and financial aid consequences. You are encouraged to understand the consequences before you decide to withdraw. Any student that would like to withdraw after the first day of class must submit a formal withdraw request form to the program coordinator. The students request will be evaluated upon receipt. Once students enroll in the program they have until the 3<sup>rd</sup> day of class to decide if they would like to withdraw with a full refund minus \$100 to cover any administrative costs. Any student that submits a withdraw request form after the 3<sup>rd</sup> day of class will be subject to the following fee schedule:

**Tuition Reimbursement Scale**

Week 1 – Full refund minus \$100 for admin costs.

Week 2 - \$600 refund

Week 3 - \$400 refund

Week 4 - \$200 refund

Week 5 - No refund

Any student that is terminated from the program will be refunded based on the refund scale above. All refunds will be processed and sent out check via US mail to the student within 2 weeks of withdraw request.

**Cancellation Policy:** Once a student has enrolled in the BNATP, they can cancel at any time for a full refund (minus the enrollment fee) as long as the cancellation occurs by 5pm on the first day of class.

**Complaint Policy:** Blue Rock Training Center believes in listening to their students concerns and investigating every concern. Any student who has a concern with clinical instruction, grading, discipline, advising, classroom instruction, course requirements, or any other issues with the school will complete the student complaint form and turn it into the Administrator or Program Coordinator as soon as possible. Forms can be found at the front desk with the administrative assistant.

The Administrator or Program Coordinator will have 48 hours from receipt of form to contact the student to gain clarification of their concern. The Administrator or Program Coordinator will then contact the party who the complaint regards to understand and document their response to the accusations. The Administrator or Program Coordinator will have 5 days from receipt of the complaint to make a decision regarding the complaint and will document and notify the student of their decision.

**Passing Criteria:** This course is divided up into three areas for grading: Theory/ Lab/ Clinical.

The students must pass all three areas in order to be awarded a certificate of completion. There is no retention policy for this course due to its brevity.

**Theory:** A student must have an overall grade of 80% in order to be considered successful and pass the theory portion of the course. Theory will be composed of quizzes, tests, assignments and class participation. The grading scale will be as follows.

A-100%-90%

B- 89%-80%

C- 79%-70%

D- 69%-60%

F- 59% - 0%

**Lab:** Lab is based on a pass/fail scale. A student must have an overall grade of Pass in order to be considered successful and pass the lab portion of the course. During lab, a student will have TWO attempts to display competency in a skill (skills check off) after being taught that skill and demonstrated that skill. The student will have open lab time to practice each skill before skills check off. Any student that does not display competency after the third attempt of skills check off will not pass the lab portion of the course and will be removed from the program without a refund.

**Clinical:** Clinical is based on a pass/fail scale and each student must receive a pass in order to graduate from the program. Criteria evaluation is based on collaboration with the interdisciplinary team, effective communication, utilizing care plans appropriately, utilizing infection prevention procedures, demonstrating safe and competent care, displaying professional appearance and behavior, and attendance. If a student misses more than one day of clinical the student will be removed from the program without a refund.

Students will be provided with instructor feedback/ evaluation at midpoint. This evaluation will provide the student with written documentation of where they stand in all areas of instruction, tardiness/ absenteeism, and behavior.

**Tardiness and Absenteeism:** Students more than 15 minutes late to class are considered late. If a student is late after 3 times, it will be considered an absence. Due to the short nature of this course and its condensed content, students are only allowed one absence during lab or theory portion of the entire course. If a student misses one day of lab or theory or is late 3 times, the student MUST make up that theory or lab day on the pre-designated make-up day which is noted on the Master Schedule and discussed the first day of class. There are no other offered make-up days and there are no exceptions. If a student misses more than 1 day of class, they will be removed from the course without a refund.

Students are expected to make every clinical day as there are only five of them and students are made aware of the clinical days well in advance. If a student misses clinical there is no make up day for clinical during their class offering. The student must wait until the next scheduled clinical rotation day offered by the school for the next class offering. Classes are offered every 6 weeks. The student must note that if the class offering is not in session due to low or no enrollment, or if the class is too full they may need to wait until the next course/ clinical offering. Students MUST take the next offered clinical rotation offered by the school and cannot choose from dates that they prefer. Students will not have to wait any longer than 12 weeks to finish the missed/ final clinical day. There is no fee for this make up day.

If a student misses a day of class it is up to them to contact the instructor and make the proper arrangements. Excessive tardiness, excessive lateness or excessively leaving class early will cause in student termination from the program with no refund.

**Student behaviors:** If students choose not to participate in appropriate behaviors, they will be terminated from the program. Unacceptable behaviors include but are not limited to:

No smoking while on school or clinical premises, No cell phone usage while in class, lab or the clinical area, horse play or unsafe behaviors in the clinical, lab or classroom, uniforms that are dirty, wrinkled, or not school issues, shoes that dirty, no artificial nails, no perfumes or colognes, no disrespectful talk or offensive behavior.

Students should limit jewelry, non-dangling, hair neat and pulled back from face, protect resident privacy, comply with HIPAA, respond to emergencies, report evidence of resident neglect, must wear school issued ID badge at all times.

**Graduation:** Students who complete all areas of instruction with a passing grade will be provided with a certificate of completion and submitted to the state as eligible to sit for the state certification exam.
